Dear Dan & Sean,

It is not often enough that we take time to acknowledge people for their dedication and hard work.

We would like to thank you for your outstanding professionalism and dedication.

In a time of crisis you were certainly a company to count on. We are gracious that within 1 week you committed yourselves to our project and had the job done.

Thank you!

Thank you for respecting our gardens...and most of all thank you for a job well done.

Sincerely,
